Step 2: Select “Manage My County/Chapter.”

TEXAS LIVESTOCK
VALIDATION

Main Menu

Manage My County / Chapter

Breeding Heifer Validation

Market Steer Validation

Sheep and Goat Validation

Logout

Step 3: Indicate the quantity of tags/UINs for species in which you serve as the validation chairperson.

- This section will be past the “Quality Counts Roster.”
- It is important that you enter the correct total number of sheep and goats so we can send an appropriate amount of nose print cards. You do not have to enter a number in every box; you may just enter the total number of sheep in the “Market Lamb” box and the total number of goats in the “Market Goat” box.

- At times there will also be the option to order steer and heifer tags. You should only order tags for the validation committee in which you are the chairperson. Only the chairperson should order tags/UINs.

New EIN/UIN Requests

Please submit only ONE order per species per county. The County Validation Chairperson for each respective species should submit the order for that species.

Late fees apply after 8/31/2022 for sheep and goats

Species	Desired Quantity
Breeding Goat	
Breeding Goat - Wether / Commercial Doe	
Breeding Sheep	
Breeding Sheep - Wether / Commercial Dam	
Market Goat	
Market Lamb	

Submit EIN/UIN Request

Step 4: Once you have submitted your request, it should appear under the “EIN/UIN Request History.”

- You may cancel a request until the request has been invoiced.

EIN/UIN Request History
