txlambgoatval@ag.tamu.edu

Step 2: Select “Manage My County/Chapter.”

Main Menu

Manage My County / Chapter

Breeding Heifer Validation

Market Steer Validation

Sheep and Goat Validation

Logout

Step 3: Indicate the quantity of tags/UINs for species in which you serve as the validation chairperson.

- This section will be past the “Quality Counts Roster.”
- It is important that you enter the correct total number of sheep and goats. **All market/breeding goat/lamb tags are the same; however, we do need to know how many goats you plan to validate and how many lambs you plan to validate so we can make sure you have an appropriate number of nose print cards.**

- At times there will also be the option to order steer and heifer tags. You should only order tags for the validation committee in which you are the chairperson. Only the chairperson should order tags/UINs.

New EIN/UIN Requests

Please submit only ONE order per species per county. The County Validation Chairperson for each respective species should submit the order for that species.

Late fees apply after 8/31/2023 for sheep and goats.

Species	Desired Quantity
Breeding Heifer	
Goat	
Lamb	

Submit EIN/UIN Request

Step 4: Once you have submitted your request, it should appear under the "EIN/UIN Request History."

- You may cancel a request until the request has been invoiced.

EIN/UIN Request History
