

To remove an exhibitor from family have the chapters use the following steps:

- Log into your chapter on the Texas Livestock Validation site
- Choose your project area from the main menu (Market Steer Validation, Sheep and Goat Validation)
- On the top of the screen is listed "Add/Edit/Remove Exhibitor"
- Select the exhibitor you wish to remove from the family using the drop down.

Add/Edit/Remove Exhibitor

Choose an existing Exhibitor from the list to edit name or email address, or select "Add New Exhibitor" from the list to add a new exhibitor.

A screenshot of a web application's dropdown menu. The menu is open, showing a list of options. The first option is "- Select One -" with a downward arrow. Below it is "- Add New Exhibitor -". The next three options are "ADAMS, ASHTYN", "ADAMS, DALTON", and "ADAMS, FALYNN". To the right of the dropdown, the letters "ist" are visible in a blue font.
